

### INTRODUCTION

Technology is one of the most important aspects of every business; it is critical to both the day to day operations and the strategic growth of your business. Maintaining a dedicated, full-time IT department, is simply too expensive, time consuming and inefficient for small businesses.

DDKITSG delivers all of these benefits and more for an affordable monthly fee. DDKITSG offers talent, depth of experience, deep resources to provide affordable professional-class IT service.

#### 1. Focus on what you do best

Everyone is generally much more satisfied when they focus on their own core expertise. Information Technology related issues such as trying to research new solutions, fix computer issues are extremely inefficient tasks for non IT professionals. By making DDKITSG your service provider, internal staff are free to spend time focusing on revenue generating tasks

#### 2. Reduce costs

DDKITSG focuses on IT. We consolidate purchasing power and can deliver better, faster and technology at much cheaper prices than a small business can purchase themselves. This results in cost savings in terms of both time and money

#### 3. Improve Productivity and Reduce Downtime

DDKITSG delivers solutions that improves business processes, enables communication, collaboration, and knowledge sharing among employees so they can innovate. We provide proactive systems maintenance, security, backup and disaster recovery minimizing and often eliminating costly downtime within a business environment

#### 4. Be more competitive

DDKITSG can help your business be more competitive by introducing you to the latest technology that will help you make rapid moves, and speed your time to market.

#### 5. Retain Employees

Surveys indicate that more and more employees want to work in an environment where a company makes use of good and reliable technology. Employees want to be competitive with their rivals and they want the technology tools that will help them deliver. DDKITSG helps small businesses meet the expectations and the ability to attract and retain employees.
